**PETITION TO PARTICIPATE IN THE CONSOLIDATED DART  
DISTRIBUTION PROCEEDING**

---

**First I would like to thank your Honors of these proceeding's for allowing me an opportunity of giving me this chance to defend myself as a creative being for who DART was meant for against ARCC who are nothing but attorneys claiming to represent clients they collect for, but have never in my opinion has ever disclosed any proof of documentation such as checks, money order's or any other proof that they paid the people who it belongs to.**

**I am claiming all years that are consolidated. Including 2012-2018. 2. My claims is only for \$1000.00 of the 2% left in all the consolidated years and 2012-2018 2% of these years. Simply because more than likely ARRC is going to repeat its previous behavior in every other distributions. My song 'Somebody Loves You Baby (You Know Who It Is) by Patti LaBelle, is the song I own 100.00% of the Digital Musical EMBODIMENT. I performed, created, and played all sounds. One of ARRC clients Universal Music Group, owns the vocal performance right only.**

**"LAMBCHOPS " who is the Non-featured Artist is 'ME'! I am also claiming my rights under the New "MUSIC MODERNIZATION ACT LAW which technically voids previous contracts, and agreement's under section 803 (b)1(b)2.**

**There is no \$150.00 fee because I am not claiming any amount over \$1000.00.**

See footnote. 4. No fees charged pg.5 of ARRC history. Eugene Curry papueris status. I believe I am still under this status because these proceedings are ongoing.**
